

Our people are our
competitive advantage.

At Butterfield, we pride ourselves on being approachable, disciplined and proactive. If you embody these qualities and have the necessary experience, you may be the one we're looking for.

Security Technician

Security

This position reports to the Supervisor, Security System and is responsible for installing and maintaining security systems under supervision.

Your responsibilities will include:

- assisting with installing, maintaining and repairing the Bank's access and security systems
- monitoring the repair, maintenance and overall effectiveness of the Bank's electronic security systems on a 24-hour basis
- maintaining and repairing CCTV equipment, cameras, time locks, vault doors, combination and other physical locks
- becoming knowledgeable on access, surveillance and emergency systems
- assisting in the preparation of budgets for security equipment acquisition and installation
- reviewing access reports and logging and alerting management regarding any irregularity
- maintaining general knowledge of products and services provided by Butterfield
- working a minimum of a forty-hour week, in shifts as established or as directed
- acting in the capacity of a regular security guard as necessary

Your experience/skills may include:

- high school diploma with at least two years' relevant experience in security, military, electrical or construction
- experienced in building construction methods and materials and electrical circuits
- knowledge of database maintenance and surveillance, access and alarm systems
- strong mathematical, analytical and communication skills
- must have high ethical standards
- valid intermediate truck driving licence
- proficient in Microsoft Office suite of applications

CLOSING DATE: 2 August 2017

All applications should be forwarded **via e-mail**
to: **resumes@butterfieldgroup.com**

ATTENTION: Human Resources

Hardcopy applications will not be accepted.
