On behalf of our Client we are inviting suitable candidates to apply for the following position:

## Auto Transmission Technician

Thorpe Auto Repair are seeking a highly skilled, qualified Auto Transmission Technician with mechanical and electrical expertise. Duties will include: engine tune ups, major services, inspections and repairs for all motor vehicles. Gas and diesel engine computer system services and repairs, after sales repair services pertaining to Vauxhall, Great wall, Chery, Hafei, Forland and King Long vehicles.

### **The successful candidate will have:**

A minimum five years' prior experience as an Auto Transmission Technician with specific experience in automatic transmission repair is required. An industry recognized automotive qualification covering engine rebuilding using chassis systems. Skills in troubleshooting and repairing of gas, diesel and alternate fuel vehicles. Experience in the adjustment and replacement of engines and other automobile parts. An in depth knowledge of the principles of internal combustion engines, tools and equipment. Applicants must have exceptional client facing skills with a proven track record. **Applications should include two written references. Working hours will be 8:00am - 5:00pm Monday to Saturday with evening/weekend/public holidays as needed.**
