

Locum Small Animal Veterinarian Needed

Endsmeet Animal Hospital is a five vet small animal practice located in Devonshire. We have up to date equipment, a friendly atmosphere and offer excellent pay and benefits. We are seeking a locum veterinarian starting mid-October or early November 2017 for 5 to six months to April 2018. Applicants must have a minimum of three years' experience in small animal medicine and surgery as well as experience in emergency medicine. Orthopedic fracture repair experience is an asset.

If interested, please send your resume with references to endsmeet@northrock.bm.
