Project Consultants

IEP Ltd. is a leading business partner providing a high level of specialist recruitment, consulting / secondment services to Bermuda's business community. To enable us to meet our Client demands, we are seeking Project Consultants available to commit to both short and long term contract assignments arising within our Client base.

Successful candidates will be experienced in the following:

- Data analysis, manipulation and review.
- Development of Reports/Tools.
- Conducting valuations and financial/risk modeling.
- Database management.

Successful candidates will have:

- A Bachelor's Degree in Mathematics or related discipline.
- A minimum of two years' previous professional work experience gained within an analyst/data management role.
- Experience working within the following industries: Banking, Investments, Re/Insurance, Law and Information Technology would be advantageous.
- Technical skills in SQL, VBA, Python, R, MatLab, Java or C#.net would be preferred.
- Strong business acumen with the ability to work well on own initiative and to exceed deadlines.
- Excellent communication skills with a positive work ethic - able to represent IEP Ltd. professionally within the business community at all times.
- Excellent previous employment references.
