

**Bermuda Monetary Authority** is committed to attracting and developing the best people who are dedicated to providing exceptional service.

## **Director Policy**

Bermuda Monetary Authority is seeking the services of a skilled and qualified professional to work as Director - Policy. Reporting to the CEO, the successful applicant will be responsible for contributing to the development and implementation of the Authority's strategic plan while ensuring policy functions are aligned with and supporting overall strategic and corporate objectives.

**This is a key role for the Authority and the post-holder will be responsible for:**

- Directing teams responsible for formulating and implementing regulatory policies and research initiatives, including overseeing internal and external consultations which contribute to the legislative process;
- Overseeing relevant matters pertaining to the Authority's overall policy framework, including effective consultations with other departments, as well as external parties in the financial sector, government and other key international stakeholders;
- Directing or assisting in the development and implementation of new or revised policies and/or legislative initiatives;
- Advising staff in sensitive, complex, or precedent-setting situations and determining appropriate course of action, while monitoring actions and responses; and
- Directing the preparation of report findings to convey information to the CEO and the Board (where appropriate) concerning key policy implications.

**This position requires a proven technical and business background. Therefore, the post-holder should have:**

- A minimum of fifteen years' relevant post graduate experience of which at least five years should be at a senior level in the public and/or regulatory policy, financial services sector and/or working experience with a financial regulatory body;
- Exceptional analytical and communication skills (written and oral);
- Highly-developed team leadership and mentoring skills;
- Experience as a thought leader demonstrated through associations, committees, etc.; and
- Excellent working knowledge of relevant international regulatory standards.

Bermuda Monetary Authority is the integrated regulator of the financial services sector in Bermuda. We offer the opportunity for broad exposure to international regulatory issues, special projects and a variety of work experience.

If you are looking for a challenging opportunity in a team environment, we invite you to submit your application via our 'Careers at BMA' page at [www.bma.bm](http://www.bma.bm). Applications for this position must be received no later than **8th September, 2017**.
