

## Vice President, Head of Finance, Bermuda Insurance Controllershship Financial Reporting & Accounting

Job Number: 14002398  
Close Date: September 21, 2017

We invent the new to help the world move forward. Combining powerful analytics and deeper insights with bigger ideas and innovative solutions, we free up our clients' potential, thereby fulfilling our own. Take it seriously. Make it fun. Know it matters.

### MAXIMIZE your opportunity

Founded in 1986 by 68 of the world's largest companies in response to the severe liability insurance shortage in the United States, XL Group (NYSE: XL) grew primarily through strategic mergers and acquisitions into a global insurance and reinsurance solutions provider. Employing over 7,000 employees, XL Group has more than 100 offices and operates in over 30 countries around the world.

On May 1, 2015, we completed our acquisition of Catlin Group Limited (LSE: CGL) – making us a larger firm with a leading presence in the global specialty insurance and reinsurance markets. Most importantly, with our combined talent and expertise we are now in an incredible position to better assist clients in solving the world's most complex risks. Separately, XL and Catlin were two strong, innovative companies. Together, we're even stronger. We are seeking a Vice President, Head of Finance, who will have supervision and oversight of all operational and financial reporting activities of our Bermuda Legal entities; which includes all technical accounting and both internal and external financial reporting for the Companies.

What will your essential responsibilities include?

- Maintaining the financial records of the Company in accordance with US GAAP and relevant statutory regulations.
- Extracting, reconciling and analyzing the financial results of the Company for both internal and external reporting purposes, along with the coordination of both internal and external audit activities.
- Preparing, monitoring and reporting on annual and other periodic budgets.
- Preparing quarterly management accounts and audited financial statements prepared in accordance with GAAP and statutory regulations.
- Preparing all periodic reporting for Senior Management on all aspects of insurance and reinsurance business.
- Reviewing and/or preparing of all BMA Regulatory filings.
- Liaising with financial colleagues in other areas to ensure inter-company transactions are correctly recorded.
- Assisting in the coordination of the financial operating and administrative requirements of the Company including business operating systems implementation.
- Assisting and liaising with other departments within the XL Catlin Group, on matters/projects that may impact the Company.
- Supervising a team of financial accountants.

You will report to our **Senior Vice President, Head of Finance, Bermuda Insurance.**

### UNLEASH your potential

We're looking for someone who has these abilities and skills:

- Qualified accountant (CA, CPA, ACA or equivalent) with at least seven years post-qualification experience in the excess property and casualty insurance and reinsurance industry.
- Must have a strong knowledge and experience with US GAAP accounting and reporting.
- Extensive working knowledge of current statutory requirements and experience with Bermuda Statutory reporting requirements for a Class 4 Company is required.
- Advanced experience with computer applications – including Microsoft Office Suite.
- Must possess strong analytical, organizational and communication skills.
- Working knowledge and experience with Oracle, Hyperion and PeopleSoft Financials is a definite asset.
