

BERMUDA LAND DEVELOPMENT COMPANY LIMITED

TELECOMMUNICATIONS TRADESMAN

The Bermuda Land Development Company Limited (BLDC) was formed by the Bermuda Government in 1996 to foster the development of roughly 400 acres of previously occupied military lands in Bermuda, i.e. Southside, Daniels Head, Tudor Hill, and Morgan's Point. BLDC's mandate is to integrate these lands into Bermuda's social and economic fabric, creating opportunities for increased employment now and in the future, in the furtherance of the well-being of present and future generations of Bermudians.

BLDC is seeking a highly motivated, customer focused individual to fill the position of TELECOMMUNICATIONS TRADESMAN. The successful candidate will report directly to the Facilities Supervisor, Operations, and must be highly organized, able to manage multiple tasks, and meet deadlines.

Key responsibilities include:

- Install, test and repair fiber optic and copper cables and equipment
- Maintain company plans, including telecommunication, buildings and infrastructure drawings
- Maintain master key system, key-cutting service, and security card swipe system
- Provide first level support for IT network terminals and telephone users

Experience & Qualification Requirements:

- Associate Degree or equivalent in Electronics, Engineering Technology, Telecommunications or Computer Science or relevant work experience – a minimum of five years' experience working with fiber optic and copper cable repair and installation
- Excellent interpersonal, written and verbal communication skills is essential in order to communicate effectively with a variety of stakeholders, including tenants, management, staff, contractors, utilities, suppliers and others
- Strong problem solving and critical thinking skills
- Proficiency in Microsoft Office Suite and AutoCAD preferred
- Requires being available for on-call/standby responsibilities
- Must have a valid Driver's License

Please apply in confidence, no later than **October 2, 2017**:
