

AON INSURANCE MANAGERS (BERMUDA) LTD.

requires a

VICE PRESIDENT – INSURANCE SOLUTIONS

Aon Insurance Managers (AIM) is a leading professional services firm in Bermuda and manages approx. 160 re/insurance entities with a multidisciplinary team of 50 professionals. AIM has three distinct business units – Captive Management, Commercial Re/insurance (including both life and non-life) and Insurance Linked Securities. AIM also manages White Rock Bermuda Ltd., a Segregated Accounts Company that offers fronting, retention cells, warehousing, market access and collateralized reinsurance solutions. We are seeking to employ a Vice President to lead the Insurance Solutions division that spans across all three business units.

This senior position is part of the AIM Leadership team and reports directly to the Managing Director. The successful candidate will be a highly motivated, organized and energetic insurance professional who has a successful track record of delivery of insurance and risk solutions to the captive and global insurance markets and possesses the ability to articulate technical insurance and claims issues with captive and Single Purpose Vehicle clients, prospects, brokers, service providers and colleagues.

Required Qualification & Experience:

- ACII, CPCU or equivalent with a minimum of 10 years post qualified experience, and at least 10 years of recent experience within the insurance industry including working with captive insurance companies.
- Successful track record of developing risk and insurance programs and structures for large national and multinational businesses including Fortune 500 companies.
- Sound technical knowledge of all major commercial classes of insurance and reinsurance including captive reinsurance facilities, Insurance Linked Securities and alternative risk financing.
- Ability to act as a senior relationship manager for a portfolio of clients entailing overall responsibility for the profitability of the accounts and leadership of Aon client teams and third parties including legal, audit and secretarial functions.
- Ability to develop and lead risk and insurance initiatives at a local and global level to increase the performance of the business.
- Ability to develop and lead captive committees and present to senior leadership at clients on risk and insurance subjects; identifying potential consulting opportunities for Aon.
- Ability to co-ordinate insurance and reinsurance claims for all classes.
- Detailed understanding of risk transfer concepts, a thorough grasp of Bermuda pertaining to captives and knowledge of the Bermuda insurance market.
- Excellent written, communication and presentation skills and the ability to interact with senior executives of Fortune 500 companies.
- Successful track record of managing a team of risk and insurance professionals.
- Ability to analyze and interpret insurance financial statements.

The Company offers an attractive compensation and benefits package commensurate with qualifications and experience.
