PROPERTY CLAIMS MANAGER

Argo Insurance invites applications for the position of Property Claims Manager - Bermuda, reporting to the Head of Property Claims.

Argo Insurance is part of the Argo Group, an international specialty underwriter, which offers through its operating subsidiaries high-quality commercial Property and Casualty insurance and reinsurance products and services that are tailored to the needs of businesses and public entities.

The Property Claims Manager role will be responsible for overseeing and handling all property insurance claims emanating from policies written by Argo Insurance in Bermuda. The successful candidate must have exceptional experience and a proven track record in effective claims handling of primary and excess property insurance claims with limited direction. The candidate should also have exceptional technical expertise and analytical skills, strong verbal and written communications skills, a proven ability to negotiate, problem solve and make decisions with sound and reasoned judgment.

Additional Key Responsibilities:

- Handling complex energy claims and assisting with property treaty reinsurance claims as required;
- Providing support to the underwriting team, actuaries and senior management, including advising on claims developments, trends and market issues and attending client meetings and market events to assist with business acquisition and developing the book;
- Ensuring full compliance with all stipulated global and local operating protocols, procedures and policies, service standards and regulatory compliance;
- Proactively seeking to identify and implement continuous improvements to streamline the claims processes, procedures and systems to drive efficiency whilst promoting best practices.

Key Requirements, Skills and Competencies:

- A minimum of 10 years of experience and proven track record in handling worldwide primary property insurance claims with limited direction;
- Experience across multiple jurisdictions but with a particular focus on US;
- Strong relationships with brokers and other insurance market participants in and outside the Bermuda market in large risk claims adjusting;
- Solid foundation in energy claims and ability to analyse potential exposure on a lead or follow basis;
- Ability to understand and apply regulatory and legal requirements in the claims context;
- Detailed knowledge of claims life cycle and ability to develop best practice with claims experience;
- Ability to participate in industry conferences and committees.

Qualified candidates should apply through our website
