

## Associate Director - Quality

EY, a global market-leading professional services organization, with dynamic people in more than 150 countries, is committed to operating with integrity, quality and professionalism in the provision of audit, tax, advisory and transaction advisory services.

We are currently seeking qualified candidates for an exciting career opportunity as an Associate Director – Quality, in our Bermuda team. The successful candidate will be responsible for consulting on complex, market-driven issues including client and engagement acceptance, service offering approvals, engagement agreements, regulatory matters (including those related to anti-money laundering) and inspections. As this role will strategically support our advisory practice, it is preferred that the successful candidate has prior client-serving experience in an advisory role.

### Responsibilities:

- ▶ Utilizes technical, service line and infrastructure knowledge to identify and resolve policy and procedure issues, violations and concerns
- ▶ Interfaces with firm quality, service line and country leadership to address complex business issues
- ▶ Identifies, develops and reports best practices within area of focus
- ▶ Understands key firm policies and is knowledgeable of other quality and risk management areas outside of their core responsibilities
- ▶ Keeps abreast of emerging issues; creates and delivers training presentations to communicate new developments and the resulting impacts
- ▶ Makes recommendations based on firm guidance, professional standards and acquired experience
- ▶ Develops relationships and builds a network of people within team and across the firm

### Suitable candidates must possess (as a minimum):

- ▶ A bachelor's degree in accounting, business, finance, law or a related field
- ▶ A minimum of 10 years of relevant work experience; prior relevant experience in a public accounting firm is required
- ▶ An industry relevant designation in either the risk management or compliance areas would be beneficial
- ▶ Strong knowledge of anti-money laundering regulations
- ▶ An enhanced understanding of the key requirements of quality and risk management policies
- ▶ Excellent written and verbal communication skills
- ▶ Strong research and project management skills
- ▶ A dedication to teamwork and integrity within a professional environment

This is not a 9–5 position, and the successful candidate must have the flexibility to work overtime and travel, as it will be required on a regular basis.
