

## **Veterinarian Required**

Ettrick Animal Hospital requires a qualified, full-time veterinarian with a minimum of 3-5 years experience in small animal medicine and surgery including a minimum of 2 years unsupervised emergency work. Additional experience and/or certification in advanced small animal medicine would be an asset as well as basic orthopaedic experience. Excellent diagnostic skills and medical case management are also required. Must be qualified and meet local licensing requirements.

**Please send resume and references to: Dr. Andrew N. Madeiros  
Ettrick Animal Hospital, P.O. Box WK 205, Warwick WK BX  
Closing Date: January 8th, 2018**
