

Estera is a leading global provider of fiduciary and administration services. Established for over 25 years, Estera provides corporate, trust, fund and accounting services to clients across the world. It has 500 highly qualified professionals across 12 jurisdictions.

2018 Summer Internship Programme

Estera Services (Bermuda) Limited is looking to employ between 8 and 10 college/university students during the July and August summer months. Students can use this programme to obtain a better understanding of corporate and trust administration, as well as begin building a strong working relationship with our company.

Students interested in applying for a summer job at Estera Services (Bermuda) Limited should do so **by 1 April 2018**. To apply, students should provide the following:

- A cover letter outlining date of birth and dates of availability
- A resume indicating education and previous employment details and extra curricular activities
- Two character or employment references
- Proof of Bermudian citizenship

Please apply by sending completed applications to the Human Resource Department, Estera Services (Bermuda) Limited, PO Box HM 1624, Hamilton HM EX.
