

## Accounting Manager

Bermuda | Ireland | Hong Kong

On behalf of our client, American International Group, Inc. we are seeking an Accounting Manager to join their team.

American International Group, Inc. ("AIG"), is a world leading property-casualty and general insurance organization serving more than 45 million clients in over 160 countries and jurisdictions. AIG is the marketing name for the worldwide property-casualty and general insurance operations of AIG Inc.

American International Company Limited ("AICO") is the Bermuda-based management company for AIG Inc.

The Accounting Manager will support a Director of Financial Reporting who is responsible for the reporting required by Bermuda Monetary Authority (BMA) for Commercial Insurers with both General and Long-Term Business. The accounting manager will assist in the ongoing accounting/reporting and related projects. This position will also establish the financial operations of a newly formed legal entity.

### Duties and Responsibilities:

- Assist in preparation and coordination of Commercial Filings required by BMA
- Work with external and internal auditors
- Operationalize accounting for multiple reinsurance contracts for Property Casualty and Life and Annuity business lines
- Coordinating and monitoring quarterly closing process
- Ensure that appropriate internal controls are developed and executed to ensure the accuracy of reported financial information for U.S. GAAP, Bermuda GAAP and any other regulatory filings
- Ensure that company's policies and processes are followed as intended
- Assist the Controller in operationalizing the finance/controllership framework for the newly formed legal entity
- Supervision of assigned personnel, including communication of management information, on-the-job training, performance appraisals and other supervisory evaluations
- Maintain a complete procedure manual regarding reporting functions
- Additional ad hoc special projects
- Provide support in managing the other areas of the Accounting & Finance unit and be available to perform other duties as required

### Qualifications and Experience:

- Recognized professional accounting designation (CA, CPA or equivalent)
- Minimum of 5-7 years' post-qualifying experience
- Experience in reinsurance accounting
- Experience with BMA filings
- Experience with both General and Long-Term Business
- High degree of proficiency of Excel and PowerPoint (mastery of Intermediate Skills)
- Familiarity with SAP General Ledger System
- Highly motivated individual possessing great attention to detail and is able to work on own initiative and meet deadlines
- Ability to motivate and supervise experienced staff
- Proven track record (minimum 5 years' experience) of successful leadership in a team environment
- Excellent communication and interpersonal skills
