The Masterworks Museum of Bermuda Art & Homer's Café invites tenders from suitably qualified and experienced Catering Companies or Individuals for the opportunity to operate the Homer's Café. We are undergoing renovations and will have a functioning Caterer's Kitchen within a few weeks.

Homer's Café is in the Museum located in the Botanical Gardens and hosts a number of private and public events through out the year. Applicants must be able to manage and staff the Café, which is open 7 days a week from 10am – 4pm.

Suitable candidates will be solely responsible for the Daily Operations and food service of the Café as well as catering services for events, rentals and Children's Camps.
