## Senior Actuarial Assistant

F&G RE Ltd, a new life reinsurance company, seeks candidates for the position of **Senior Actuarial Assistant**. This incumbent will play an integral part of the team, with responsibility for assisting in all aspects of actuarial work performed including pricing, reserving and modeling. A significant aspect of the position will be support to the actuarial team to develop and strengthen business in the Asian market. This position will report to the Chief Actuary.

### Duties & Responsibilities:

- Development of Life and Annuity Insurance products including design, modeling, risk analysis, filing support, and implementation
- Support the ongoing development and maintenance of capital and reserving models
- Perform skillful analytics on source of earnings
- Attend client meetings, support with Mandarin/Korean translations, and write business technical papers
- Support regulatory filings and management reporting
- Serve as a Mandarin/Korean speaking aid to senior management and market liaison for Asian market business development
- Prepare reports for management, finance, and business partners

### Minimum Qualifications, Skills & Experience:

- A Bachelors Degree in mathematics, actuarial science, or other relevant discipline
- Completion of 3 preliminary actuarial exams and efficient progress on obtaining ASA/FSA
- At least 2 years of insurance or financial services experience
- Fluent in Mandarin or Korean
- Superior skills with Microsoft Excel and SQL
- Advanced verbal and business writing skills, both English and Mandarin or Korean

Interested? Please email [jobs@expertise.bm](mailto:jobs@expertise.bm).

All enquiries will be dealt with in strict  
confidence. Closing date: April 3, 2018
