

Child Caregiver

Seeking an experienced child caregiver to assist in caring for 2 children ages 5 and 8. Duties include school pickups and transport to/from after-school activities, meal preparation, uniform and school supplies upkeep, assistance with school homework and planning extra work to support academic preparedness. Household duties would also be necessary, including full house cleaning, grocery shopping and laundry. There is a need for proxy parenting and on occasion will need to travel with the family during times when children are out of school.

This is a live out position. Work hours will be 40 hours per week with flexible schedule; occasional evenings, weekends and public holidays will be required. Must be non-smoking, have or be willing to obtain a Bermuda Driver's License, a strong swimmer, First Aid and CPR certified and have a minimum of 6 years' experience – written references are required. A caregiver with multi-year care for one family is preferred as well as one who can commit to multiple years since long-term stability for the children is important.
