SENIOR ASSOCIATE DISPUTE RESOLUTION LAWYER

Kennedys Chudleigh Ltd., a leading Bermuda law firm, is seeking a Senior Associate Dispute Resolution Lawyer to join its specialized commercial litigation and insurance arbitration practice.

The role will involve working on complex commercial litigation in the Supreme Court of Bermuda and international arbitrations, including matters involving the insurance and reinsurance, financial services, trusts and hedge fund industries, as well as company, insolvency and regulatory matters.

Candidates should be in the region of 5 years' PQE, and admitted or eligible to practice at the Bermuda Bar. They should be able to demonstrate relevant experience conducting litigation, arbitrations, and mediations or regulatory investigations to a high standard. Experience of insurance/reinsurance law, corporate law, regulatory law, and non-contentious transactions would be an asset.

In light of Kennedys Chudleigh Ltd.'s 'Bermuda Form' international insurance arbitration practice (involving arbitrations held outside of Bermuda, and governed by modified New York law), admission to legal practice in jurisdictions such as England and Wales and New York would also be an asset.

First-class legal research, legal drafting, and organisational skills are essential. Demonstrable experience of managing junior associates would also be an asset. An interest in business development would also be welcome.

Bermudians and spouses of Bermudians are particularly encouraged to apply. All applications will be treated in the strictest confidence. We will require references for short-listed candidates in due course.
