

Senior Managers - Insurance & Actuarial Advisory Services

EY, a global market-leading professional services organization, with dynamic people in more than 150 countries, is committed to operating with integrity, quality and professionalism in the provision of audit, tax, advisory and transaction advisory services.

We are currently seeking qualified candidates to be considered for positions as Senior Managers - Insurance and Actuarial Advisory Services in Bermuda. Our team focuses on loss-reserving calculations, product development, rate setting, financial forecasting, valuation, pricing analyses, cash flow testing, customer analytics and analyses of risk arrangements. This position will be responsible for leading multiple actuarial client engagement teams and other related activities. The successful candidate will direct the technical, business and personnel aspects of actuarial consulting engagements, as well as assist in leading business development efforts with clients. This position offers the right professional a tremendous opportunity for learning, leading, teaming and career advancement.

Required skills/experience/attributes:

- ▶ A bachelor's degree in Actuarial Science, Mathematics, Statistics and/or other related major
- ▶ A minimum of 8 years' experience working in an actuarial-oriented position, with 2 years of increased management responsibility; prior consulting/professional services experience with strong business development, sales and account management skills would be strongly preferred
- ▶ Fellowship in the Institute of Actuaries, Society of Actuaries, Casualty Actuarial Society, or other internationally recognized professional actuarial association
- ▶ Strong writing, presentation, conceptual, analytical and interpersonal skills
- ▶ Proficiency in the use of spreadsheets and actuarial-related software
- ▶ Ability to work a flexible schedule, as overtime and travel will be required
- ▶ A dedication to teamwork and integrity within a professional environment
