

Senior Business Consultant

Bermuda | Ireland | Hong Kong

On behalf of our client, Emergence, we are seeking a Senior Business Consultant to join their team.

Emergence is Bermuda's trusted advisor providing expert consulting services and industry-leading technology solutions in the areas of Finance, Business Intelligence, Corporate Performance Management, HR & Payroll, and Customer Relationship Management.

Emergence is looking for experienced Prophix Corporate Performance Management software specialists with demonstrated product knowledge and at least 5 years' experience implementing and supporting the Prophix Corporate Performance Management Software platform. The candidate should be proficient at gathering requirements, providing implementation services, conducting training and solution troubleshooting as well as be familiar with Microsoft SQL Server and data integration tools. An accounting designation or candidates working towards a designation, or with equivalent education and work experience, will be considered.

Emergence is a company like few others. Along with a very strong compensation and benefits package, we provide a positive and dynamic work environment that encourages achievement and personal growth through collaboration and teamwork.
