

Carey Olsen Bermuda* invites applications from lawyers to fill Partner, Counsel and Associate roles in our Corporate, Dispute Resolution and Private Client & Trust practice areas.

Corporate

Partner

Duties and responsibilities include advising clients on a wide range of complex commercial transactions and corporate law matters as well as leading a team on business development, marketing and training programs. Successful candidates will have an extensive background acting for multinational corporate clients, a minimum of seven years of post-qualified experience in common law jurisdictions, and particular expertise and experience in one or more of the following: banking and finance, investment funds, insurance, restructuring and insolvency, telecommunications and technology, aviation or shipping. Successful candidates will also have experience supervising and training Trainees and Associates.

Counsel

Duties and responsibilities include advising clients on a wide range of complex commercial transactions and corporate law matters as well as taking a leading role with business development, marketing and training programs. Successful candidates will have a minimum of five years of post-qualified experience, an extensive background acting for multinational corporate clients and experience supervising and training Trainees and Associates. This role will include objectives on drawing new business to Bermuda from the United States and Caribbean region, and a strong financial services background (specifically in funds) is required along with a proven ability to win such work. In addition, at least three years of experience working in a jurisdiction well-known for offshore funds is preferable.

Associate

Duties and responsibilities include advising clients on a wide range of complex commercial transactions and corporate law matters as well as assisting with business development, marketing and training programs. Successful candidates will have a minimum of three years of post-qualified experience in common law jurisdictions and a minimum of two years of experience working with international clients in financial services.

Dispute Resolution

Partner

Duties and responsibilities include advising clients on a wide range of high value international contentious commercial disputes including acting as lead advocate for large high-value Supreme Court and Court of Appeal disputes as well as leading a team on international business development, marketing and training programs. Successful candidates will have substantial experience working with international clients, a minimum of seven years of post-qualified experience in common law jurisdictions, a proven track record of being the lead advocate in high value corporate disputes and have examples of successful international marketing initiatives. Successful candidates will also have experience supervising and training Trainees and Associates.
