Senior Industrial Electricians/Forepersons

Our client, **BAC Universal Electric**, is Bermuda's longest serving electrical contracting and supply Company. They provide services in all areas of electrical and communication systems. They have an immediate need and invite applications for multiple **Senior Industrial Electricians/Forepersons** vacancies.

Reporting to the Project Manager, the incumbents are responsible for ongoing installations, maintenance, repair, testing, and performance of industrial electrical equipment and associated controls.

Duties & Responsibilities:

- Oversee a staff of industrial technicians
- Read and interpret drawings, blueprints, schematics and electrical code specifications to determine layout of industrial electrical equipment installations
- Install, examine, replace or repair electrical wiring, receptacles, conduits, switches, feeders, lighting fixtures and other electrical components
- Install and test mineral-insulated copper-clad cable
- Install cable tray and associated cable in an industrial environment
- Test electrical/electronic equipment for continuity, current, voltage and resistance
- Maintain, repair, install and test switchgear, safety switches, regulators and reactors
- Maintain, repair, test and install electrical motors, generators, industrial storage batteries and hydraulic and pneumatic electrical control systems
- Troubleshoot, maintain and repair industrial, electrical/electronic control systems and other related devices
- Troubleshoot and repair PLC, VFD and DC drives
- Perform preventive maintenance, complete maintenance reports

Minimum Requirements:

- Knowledge of industrial electrical equipment and associated electrical/electronic controls
- Previous experience as an industrial electrician in production and turbine/cogen facilities preferred
- Ability to multi task in a fast paced environment
- Must adhere to all equipment specifications and technical manual instructions
- Must be well versed in lock-out/tag-out procedures and possess a strong safety orientation and record

The company offers a remuneration package and comprehensive staff benefits commensurate with qualifications and experience for the position. As a member of the BAC Group of Companies, BUE adheres to a policy of a drug free workplace. All applicants will be subject to a drug test.
