

Happy 50th Anniversary

Lloyd and Judith Burgess | May 11, 2018

An excellent wife is the crown of her husband. He who finds a wife finds a good thing and obtains favor from the Lord. We would like to thank the Lord for being a crown and showing favor on this beautiful couple, as they celebrate their Jubilee 50th Anniversary and may He continue to bless this union for many more years.

Love always, children, grandchildren, family and friends.
