

We're hiring

Senior Associate - Financial Advisory Services

The opportunity

We are seeking a highly motivated Senior Associate to join Deloitte's Financial Advisory (FA) department. The successful candidate will assist with the day-to-day management of solvent and insolvent restructuring engagements, together with valuation and M&A advisory engagements.

Primary responsibilities will include but are not limited to the following:

- Assist with due diligence, client acceptance and case management software.
- Build an in-depth knowledge of the client's business and stay up-to-date on industry activities, marketplace trends, and leading practices.
- Responsible for the development and motivation of junior associates and actively participate in business development opportunities.
- Develop requisite skills to carry out, maintain and complete assignments and engagements.
- Prepare liquidation documents, create and continually update financial statements and write financial reports.
- Assist with the implementation of restructuring solutions and schemes to include complex and contentious cases and mergers and acquisitions.
- Assist with forensic assignments and investigations.
- Provide valuation analyses for tax, financial reporting or other regulatory, compliance or management planning requirements.
- Prepare financial models for valuation, business planning and transaction advisory purposes, and prepare reports summarizing the results.
- Supervise the analysis of client data and issues.
- Perform financial due diligence tasks.
- Analyze, interpret and review financial information and apply advanced financial analysis skills.

The successful candidate will possess:

- A professional accountancy designation (CPA, CA, ACCA, ACA).
- Completion of, currently pursuing, or willingness to pursue a qualification in valuation/finance (CBV, ASA, CFA) or qualification in insolvency/forensics (CPI, ICAEW Certification in Insolvency, CFE)
- At least 3 years in a professional services firm, big 4 preferable.
- 1-2 years of insolvency, valuations or transactions experience preferable.
- Advanced problem solving, negotiation and research skills.
- Exceptional client facing manner and public speaking skills.
- Well versed in relevant methodologies and practices.
- Ability to conduct thorough research and leverage relevant tools such as Bloomberg.
- Strong knowledge of MS Office (particularly Excel).
- Must demonstrate a commitment to quality and have good organizational skills to meet tight reporting deadlines; have the ability to prioritize & problem solve.
