Senior Developer, C# - WPF / XAML

Nephila Holdings Ltd. & Subsidiaries is a leading hedge fund platform dedicated to re/insurance and weather risk. The company is seeking talented and experienced Software Developers to help them build the best software for their stakeholders and investors.

The successful incumbent will be focused on the design and on-going development of a trading and portfolio management system along with a suite of associated tools that produce analytics and risk metrics for a family of investment funds linked to reinsurance, bonds and weather derivatives. They will also possess a proven track record of meeting tight deadlines in a fast paced environment along with excellent problem solving skills.

Key responsibilities include:
- Working closely with all stake holders and the Quantitative Analytics team to ensure business needs are met and prioritized accordingly
- Developing business services using the Microsoft stack
- Designing, developing, deploying and maintenance of client applications using WPF
- Identifying opportunities to improve business processes and suggesting better solutions

Minimum requirements, skills & experience:
- Bachelor's Degree or higher in Mathematics/Engineering/Science/Information Technology or related field
- 5+ years of professional software development experience in C# and SQL
- SQL development skills and ability to write and troubleshoot SQL code (stored procedures, functions, views, and triggers)
- Experience using OOP and applying Design Patterns
- Experience in using MVVM frameworks such as Caliburn Micro, Prism, MVVM Light
- Experience in ORMs, SOLID, TDD and Continuous Integration
- Hands on experience within an Agile Scrum team
- Occasional travel will be required

Key responsibilities include:
- Microsoft Certification in any one or more of the following MCA/MCTS/MCPD/MCSD
- Experience using a service bus (nServiceBus, MassTransit, RabbitMQ, ZeroMQ)
- Experience using Git, JIRA and build automation with TeamCity
- Experience using ServiceStack
- Experience in CAT insurance or reinsurance business

Interested? Please email jobs@expertise.bm.
All enquiries will be dealt with in strict confidence.
Closing date: June 4, 2018
