

# Join a team who cares about excellence

## COMMUNITY SUPPORT WORKER

### INTELLECTUAL DISABILITY PROGRAMME (MWI)

**BHB** ensures the highest quality health care through service excellence, education and leadership. We seek qualified, highly motivated, and experienced professionals to work in a supportive but demanding environment.

Under the supervision of the Multidisciplinary Intellectual Disability Team, the Community Support Worker will be expected to provide ongoing support, daily care and assistance to persons with intellectual disabilities, to ensure that they achieve their maximum potential and experience an excellent quality of life.

#### Key responsibilities include:

- Supporting service users in person centered ways that treat them as individuals in order to enhance their quality of life
- Supporting service users to carry out a wide range of activities in their homes and in the community. This could include practical activities such as bathing, dressing, bed making, toileting, cooking, eating and drinking
- Supporting service users to develop greater independence by engaging them in a range of training programs, recreational and leisure activities
- Promoting good health and observing/monitoring and reporting service users' physical/mental condition
- Advocating for the Service Users by being an active member of the Multidisciplinary Team
- Driving hospital transport when required, including escorting service users on outings and medical appointments
- Ensuring facilities are kept in good working order and reports any problems re the status of the home in a timely manner
- Assisting service users' relatives/associates to establish positive relationship with service users which includes implementing programs within their home, if required
- Contributing to the effective and safe running of the house by carrying out the necessary cooking, cleaning, washing shopping etc in conjunction with the service users

#### Qualifications &/ Registration required:

- High School Certificate, GED or equivalent
- Nursing Assistant Certificate preferred with ideally three years' experience working with persons with Intellectual Disabilities. Those with less year's will be considered.
- Must be registered with the Bermuda Nursing Council
- Non-Combative Intervention Techniques (NCI) Certificate and CPR would be an asset
- Must be capable of safely operating approved lifting devices
- Must have a current driver's license

**Closing date for applications is 7 June 2018.** Pre-employment substance abuse screening is mandatory for all successful candidates.

If you want to make a difference, and if your experience and qualifications match the above criteria,  
**visit [www.bermudahospitals.com](http://www.bermudahospitals.com), and apply through BHB Jobs NOW.**  
Select "Work at BHB" and follow the steps.
