

PROGRESS. PASSION. POSSIBILITIES.

At KPMG our goal is to be the Clear Choice for our Clients, our People and our Community.

KPMG professionals are individuals who take deep, personal accountability for their work; have a passion for excellence; are driven to achieve their full potential and understand the value of building relationships with clients, their communities and each other. A KPMG professional has a strong work ethic, thrives on challenges, and is dedicated to providing outstanding client service.

KPMG in Bermuda serves an international client base. Our Tax practice provides a full range of tax compliance, planning and advisory services to the focused needs of offshore insurance companies, investment funds, international executives and trusts. We are looking for a Tax Manager to support us in maintaining our reputation as a leader in U.S. Tax services both in Bermuda and globally.

Tax Manager

Roles and Responsibilities include:

- Manage and coordinate the delivery of U.S. tax services, including review of U.S. federal and state tax returns for (re)insurance entities, investment funds, trusts, and/or corporate executives and other high net worth individuals;
- Advise clients on complex tax issues, transactions, and structuring;
- Develop and maintain deep technical knowledge in areas of relevance to our clients, including the U.S. domestic and international tax provisions applicable to insurance companies and/or investment funds and/or high net worth individuals;
- Develop and maintain strong relationships with clients and assist in the development of new business; and
- Train, manage, mentor and develop tax staff.

Candidates must have the following qualifications, skills and attributes:

- Four years of relevant experience (preferably with a Big 4 firm), including a comprehensive understanding of the fundamental U.S. tax concepts relevant to (re)insurance companies, investment funds, foreign trusts, and/or corporate executives and other high net worth individuals;
- CPA designation or Enrolled Agent qualification is required;
- Masters degree in Accounting or Taxation is preferred;
- Excellent verbal and written communications skills and the ability to articulate complex information;
- Proficient in the use of relevant technology, including MS Excel and tax return preparation and research software;
- Experience mentoring and counseling staff level team members;
- Ability to work in a team environment; and
- Able to meet tight deadlines and work significant levels of overtime during busy periods.
