VICE PRESIDENT, CLINICAL OPERATIONS

BHB SITE OPERATIONS DEPARTMENT

BHB ensures the highest in quality health care through service excellence, education and leadership. We seek qualified, highly motivated, and experienced professionals to work in a supportive but demanding environment.

The Vice President of Clinical Operations is a new post. The successful person is expected to provide strong leadership, ensuring that there are appropriate systems and processes in place to deliver objectives and drive forward the clinical service to improve the operational effectiveness of the Hospital. The post holder must have wide experience, preferably in different organizations and a proven track record of both transformational capability and of delivering operational efficiencies. The successful applicant would be expected to develop and mentor a successor, with a plan to be agreed within 12 months of appointment.

The Vice-President will report to the Chief of Staff with a dotted –line to Chief of Nursing. The role is extensive. Listed below are the high level **key responsibilities**, but not limited to:

- Execution of the Corporate Annual Plan initiatives, Clinical Service Plan, Quality Plan initiatives and supporting the implementation of the Financial Recover Plan
- Development and monitoring of performance objectives and key performance indicators (KPI) related to financial, quality improvement and patient services as well as the execution of projects driven by BHB's Corporate Annual Plan
- The development and mentoring of a successor with a plan to be agreed within twelve (12) months of appointment

Qualifications &/ Registration required:

- Master's degree in Health Care Administration, Business or related field is required
- At least 10 years' of Clinical Operational Management experience in a health care environment, with a minimum of five years' in a strategy execution role is required
- Demonstrated experience in multiple disciplines and in implementing and managing programs that improve patient experience and operational efficiencies
- Expert knowledge of health operations, organization policies, procedures, systems and objectives
- Expert knowledge of quality improvement processes, tools, and methodology
- Working knowledge of fiscal management, business finance, capital funding and contracts

Closing date for applications is: June 27, 2018. Pre-employment substance abuse screening is mandatory for all successful candidates.
