## Senior Marketing Actuary

Our client, Hannover Life Reassurance Bermuda Ltd., has been operating successfully in Bermuda since 2007. As a wholly owned subsidiary of the Hannover Re Group, it writes life and health reinsurance business in partnership with our clients around the world. This business is managed by our small team of reinsurance professionals based in Bermuda.

Our client invites applications for Senior Marketing Actuary.

Reporting to the Chief Business Development Officer, this challenging role will suit a well-rounded candidate with strong technical and communication skills. The role will have a strong focus on business development in conjunction with the group's worldwide network. The Senior Marketing Actuary will be involved in the treaty process throughout its lifecycle: structuring, negotiation, pricing, documenting and reporting on each deal.

### Responsibilities (include but are not limited to):

- Daily analyzing, modeling and pricing of new business opportunities
- Product development of tailor made reinsurance solutions to meet the needs of current and potential client base
- New markets research as well as lines of business, in order to diversify exposure
- Pricing model development and assumptions for various lines of business in various geographical locations

### Minimum Qualifications, Skills & Experience:

- Appropriate actuarial qualifications from a recognized professional body
- Minimum of 5 years of life and health (re)insurance experience
- Geographical experience in our target markets of UK, Europe and Asia Pacific is essential
- Functionally, experience in the specialist fields of financial reinsurance, mortality and morbidity would be a distinct advantage
- Excellent communication skills, both written and verbal, would be needed
- A high level of computer-literacy and experience with an industry-standard actuarial projection system is essential.
- The necessity to meet tight deadlines and multi task on projects running in parallel will require an individual who is committed to the business and open to working hours beyond the norm.

HLR Bermuda is an equal opportunities employer. All enquiries will be dealt with in strict confidence.

Interested? Please email [jobs@expertise.bm](mailto:jobs@expertise.bm).

Closing Date: **July 27, 2018**
