

SOMPO INTERNATIONAL

Senior Analyst - Financial Planning & Analysis

The Company:

Sompo International Holdings Ltd. (Sompo International) is a specialty provider of property and casualty insurance and reinsurance, established in March 2017 as the result of the acquisition of Endurance Specialty Holdings Ltd. by Sompo Holdings Ltd. (Sompo).

Sompo's core business encompasses one of the largest property and casualty insurance groups in the Japanese domestic market. In addition, Sompo is engaged in the provision of insurance services as well as other related services through its global network of businesses operating in 32 countries around the world.

Sompo International is the international operation and a wholly owned subsidiary of Sompo, which trades on the Tokyo Stock Exchange. Through our operating subsidiaries, Sompo International underwrites agriculture, professional lines, property, marine and energy, and casualty and other specialty lines of insurance and catastrophe, property, casualty, professional lines, weather risk and specialty lines of reinsurance.

As a leading global provider of insurance and reinsurance, we recognize that our success is derived directly from those who matter most: our people. Sompo International's headquarters is in Bermuda and we currently have offices in the United States, the United Kingdom, Continental Europe, and Asia. At Sompo International, a shared commitment to integrity, teamwork, agility, execution, and excellence define our culture, and we strive to create exceptional value for our clients and shareholders and maintain Sompo International as a desirable place to work.

We invite applicants for the Senior Analyst role within Corporate Financial Planning & Analysis, a position reporting to the AVP, Financial Planning & Analysis.

Duties and Responsibilities:

- Assist in the delivery of:
 - Consolidated plans, budgets and forecasts for Sompo International
 - Board reporting for the CFO
- Assist in the production of operational Finance management information packs on a monthly basis, for Senior Management
- Assist in the production of legal entity projections (balance sheet & income statement) for regulatory filing purposes on an ad hoc basis.
- Assist with the implementation of a budget tool and become a SuperUser for the Company.
- Support the Finance teams in the investigation of issues, the development of process and control improvements and driving change in Finance
- Work on ad hoc projects including mergers & acquisitions, integrations and various Head Office projects focusing specifically on data capture and manipulation

Required Skills / Qualifications:

- Financial Planning & Analysis certification required along with relevant university degree
- Minimum of 2 years insurance/reinsurance industry experience
- Minimum of 2 years Financial Planning & Analysis experience in the insurance/reinsurance industry with management reporting and analysis responsibility
- A highly motivated and committed individual who is able to work with a team
- A strong problem solver who can investigate issues and develop solutions
- A proven ability to work under pressure, meet challenging deadlines and respond to changing priorities
- Proficiency in both Microsoft Excel and Word required; advanced analytical spreadsheet skills with modeling and projection skills
- Experience with SAP GL systems, or a similar GL package, and Financial Planning & Analysis tools required

Sompo International offers a competitive compensation and benefits package commensurate with experience. For consideration, please e-mail your resume to Careers-Bermuda@sompo-intl.com by no later than 08 Aug 2018.
