

Lorraine
REST HOME
Quality Care for Bermuda's Seniors

Lorraine Rest Home provides (ensures) quality accommodation and care for seniors in a homely residence.

We are seeking a qualified, highly motivated and experienced registered Staff Nurse to work in a safe environment that fosters dignity, choice and physical independence.

Key Responsibilities Include:

- Participates in the initial assessment and interview of resident's and family members
- Provides direct centered nursing care to residents
- Develops individual centered nursing care plan for residents following the nursing care process
- Liaises with and utilizes community, hospital and other clinical services
- Implements and participates in resident's family case conferences / meetings
- Demonstrates knowledge and clinical expertise
- Acts as a resident / patient advocate communicating with medical personnel, patient and family
- Supports, supervises and directs other nursing and facility staff as required
- Assumes in charge duties and deputizes in the absence of Lorraine Rest Homes Administrator
- Performs clinical functions, assumes responsibility for personal participation in professional organizations, continuing educational programs and development
- Keeps abreast with current trends in treatment of the elderly
- Complies with policy and procedures relating to documentation

Qualifications

- Bachelor of Science Degree in Nursing Diploma with an accredited institution
- Registered Nurse with current registration with the Bermuda Nursing Council
- Current CPR certificate
- Five years post qualification experience in long term care or Geriatric Nursing Care in a residential care facility
- Management Nursing Skills and Physical Assessment experience are required
