Investment Analyst

Arch Investment Management Ltd. (AIM), based in Bermuda, is a wholly-owned subsidiary of Arch Capital Group Ltd., a leading insurance and reinsurance company. Arch Capital has approximately \$11bn of capital and more than \$19bn of investable assets. AIM is responsible for managing the investment portfolios of Arch Capital and its subsidiaries. We are looking to fill the position of:

Investment Analyst

The successful candidate will provide support for the AIM corporate bond portfolio management team. Responsibilities will include preparing and delivering investment reports, assisting trade operations, credit and financial analysis, and helping to develop strategy. Secondary responsibilities will include providing similar support to AIM's equity and alternative investment portfolio managers.

Minimum Qualifications, Skills & Experience:

- An undergraduate degree from a top college or university in a quantitative field
- Undergraduates with other degrees and relevant background and work experience may be considered
- MBA, Masters in Finance, or working towards CFA designation preferred
- Some knowledge and experience in trading, research, or analysis of fixed income or equity securities
- An expressed and demonstrated desire to pursue a career in the investment management field
- Must have strong communication abilities, analytical and organizational skills, work ethic, and intellectual curiosity

To apply please send your résumé to bdajobs@expertise.bm or apply online at www.BermudaJOBS.com.

All enquiries will be dealt with in strict confidence.

Closing Date: **August 15, 2018**
