

Deputy Managing Director

Artex Risk Solutions (Bermuda) Ltd. is seeking an experienced and dynamic individual for the position of Deputy Managing Director. Reporting directly to the Managing Director, the successful applicant will be responsible for the day to day oversight of Management functions within Artex Risk Solutions (Bermuda) Ltd., overseeing all facets of operations including technical accounting and reinsurance structuring issues, with specific focus on the supervision of a large growing ILS portfolio and in addition, the responsibility for ensuring that policies and procedures are in place to meet client service level objectives and comply with Bermuda regulatory requirements.

Duties and responsibilities:

- Management of the client service team structure, including client portfolio allocations, staffing levels, process review, performance management and ensuring adequate resources to meet client service level objectives.
- Management all aspects of the client service procedures, including ensuring appropriate controls are in place to conform with internal and external compliance and regulatory requirements
- Overseeing the preparation and delivery of client management and IFRS/ GAAP financial statements and statutory returns in accordance with prescribed accounting policies and deadlines
- Manage client relationships (ILS and others) at a senior level ensuring client service requirements are met.
- Identify new business opportunities and actively manage the business development process including the preparation of service proposals, preparation of business plans and presentations to prospective clients and the onboarding of new clients (ILS and others).
- Provide management oversight of accounting, regulatory and administrative services provided to a portfolio of complex insurance companies and segregated accounts, including ILS structures

Required skills and qualifications:

- A university degree
- ACA, CA, CPA or ACCA professional accounting qualification
- Minimum of ten years post-qualifying experience
- Minimum of ten years management experience, five of which in a senior management position
- Significant demonstrable experience and knowledge of the ILS market
- Substantial experience in the structuring of ILS structures and products
- Thorough knowledge of IFRS and U.S. / GAAP requirements for insurance entities
- Significant knowledge of the Bermuda insurance market and regulatory environment
- Demonstrable industry contacts within the ILS market
- Excellent verbal and written communication skills
- An exceptional work ethic with the ability to motivate a team of professionals to provide the highest levels of client service
- Strong analytical skills, a high attention to detail and proven ability to manage multiple client deliverables in a timely manner
- Excellent interpersonal and presentation skills and the ability to engage effectively at all levels
- Demonstrable career progression in previous roles
- Expert competency with Microsoft Office and Microsoft Dynamics

Closing date: 31 August 2018
