

## Vice President, Actuarial

Our client, **Tokio Millennium Re**, requires a Vice President, Actuarial.

**Tokio Millennium Re AG, Bermuda Branch** is a subsidiary of Tokio Marine & Nichido Fire Insurance Co. Ltd., Japan's oldest and one of its largest non-life insurance companies and is engaged in property & casualty reinsurance and in market solutions. The Company has its headquarters in Zurich, Switzerland with branches in Bermuda, Australia, U.S.A. and U.K.

### **Duties and responsibilities will include but are not limited to:**

- Price US property, casualty and financial lines reinsurance contracts
- Portfolio management and risk reporting to Senior Management
- Participate in discussions on capital allocation with the ERM departments
- Assist with the preparation of business plans and assumptions for the internal capital model
- Play a key role in the development of the actuarial team as it grows, including assistance in the training and development of actuarial students

### **Minimum required skills, qualifications and experience include:**

- Completion of a Qualified Actuary designation (FCAS or equivalent)
- 10+ years of relevant experience, with at least 8 years of experience in US casualty reinsurance pricing

- Ability to communicate statistical and actuarial output to Underwriters
- Strong computer skills, including advanced knowledge of MS Excel
- Ability to work well independently or with others, particularly in a small team
- Highly motivated individual with strong communication and interpersonal skills
- Strong work ethic, commitment to meeting deadlines and willingness to work overtime, on weekends and/or holidays as required

Closing date for applications: September 14th, 2018
