

Strategic Sourcing Manager

HSBC Operations, Services and Technology (HOST)

Closing date: 12 November 2018

HSBC Bermuda is seeking a highly motivated Strategic Sourcing Manager to assist in the execution of global and local Sourcing projects throughout the Procurement contract lifecycle.

Major responsibilities

- Proactively engages with a variety of stakeholders, business partners and vendors
- Applies a range of sourcing approaches to deliver the most appropriate and cost effective business outcome
- Identification of post contract value opportunities
- Ensures reports accurately capture project data (savings, pipeline, milestones, risks and issues) against targets.
- Application of Sourcing knowledge to projects ensuring risk requirements are met and adhered to
- Ensures operational accountability for contracts and drive appropriate deployment of the supplier relationship management framework
- Supports development and review of robust, forward-looking plans based on business and product needs, supply market dynamics, and technological changes in the marketplace
- Provides support in the regulation and agreement of terms and conditions of all projects
- Drive the usage of eProcurement tools and manage an interface with offshore support teams

Minimum qualifications

- At least 4 years' experience within a similar role (Procurement/Strategic Sourcing)
- Procurement certificate or advanced certification with a proven ability to handle complex internal and external client negotiations
- Project Management experience leading multiple projects with minimal direction and ability to work well with stakeholders is preferred
- Demonstrated ability to analyze processes, solve problems and make recommendations for improvement
- Demonstrated understanding of complex business problems, apply advanced analytical thinking and market knowledge
- Demonstrated broad range of category knowledge and work dynamically and flexibly with Subject Matter Experts
- Strong verbal and written communication and interpersonal skills with a high level of integrity and respect for confidentiality
- Excellent organization and time management skills with advanced proficiency in Word, Advanced Excel and Power Point
