### **SENIOR ACCOUNT EXECUTIVES**

Aon Insurance Managers (AIM) is a leading professional services firm in Bermuda and manages approx. 170 re/insurance entities with a multidisciplinary team of over 50 professionals. AIM has three distinct practice groups – Captive Management, Commercial Re/insurance (including both life and non-life) and Insurance Linked Securities. AIM also manages White Rock Bermuda Ltd., a Segregated Accounts Company that offers fronting, retention cells, warehousing, market access and collateralized reinsurance solutions. We are seeking to employ Senior Account Executives.

The successful candidate(s) will report to a member of senior management and will be responsible for the financial and insurance reporting on a number of complex accounts, including capital market and commercial insurer transactions as needed, and adhering to tight deadlines, specifically:

#### **Core responsibilities:**

- Preparation of financial statements in accordance with US GAAP or IFRS, as well as the insurance regulatory environment.
- Preparation of periodic reports, detailed analyses and working paper files accompanying financial statements.
- Overseeing annual audit and annual regulatory reporting.
- Organizing of client meetings including presentation of financial results at director and shareholder meetings.
- Familiarity with US tax issues/implications.
- Participation in new business development and prospect meetings.
- Develop as part of the client service team additional services to existing clients.
- Maintenance and development of client relationships.

Additionally, the successful candidate(s) will provide accounting assistance on other major captive accounts, including responsibility for the accounting functions of a variety of capital market and commercial clients if required.

#### **Position requirements:**

- An accounting designation (CA, CPA, ACA, ACCA).
- A minimum of two years of recent captive insurance experience in Bermuda or other prominent captive domicile (through Big 4 public accounting firms or other captive management companies).
- Excellent communication and interpersonal skills.
- Strong financial reporting and analytical skills.
- Exceptional presentation skills.
- Strong familiarity with the US GAAP or IFRS as well as the insurance regulatory environment.
- Prior experience in employee supervision.
- Highly motivated and organized individual who is prepared to meet deadlines that may require time beyond normal business hours.
- Strong computer skills, specifically with Microsoft Office Software, such as Excel and Word and familiarity with insurance based accounting systems.
- Familiarity with ILS, commercial and alternative insurance products would be advantageous.
- Ability to work independently and within a structured team environment.

The Company offers an attractive compensation and benefits package commensurate with qualifications and experience.
