

MANPOWER LIMITED

Site Safety & Operations Compliance Foreman

Holding an advanced site safety compliance designation (e.g. OSHA, NCCER) and at least 8-10 years of progressive experience in the construction trade with safety leadership experience, the applicant will be responsible for the implementation, management, training & compliance requirements of a labour contracting practice of 25+ employees. The hands-on Safety Officer will ensure compliance with the Occupational Health & Safety Act and establish a compliant safety culture, relevant policies and procedures and a company wide operations regime across multiple worksites in Bermuda. Multi-lingual applicants holding senior level experience in the space will be favorably considered. Please go to www.catalystbermuda.com for fuller job description.

Please submit a resume, copies of all relevant qualifications and at least 2 written professional references to: manpower@manpower.bm. Or to 54 Reid Street, Suite 201, Hamilton HM 12. Closing 30 November 2018.
