

Is seeking to fill the following position

SALES & PROJECTS MANAGER

Reporting directly to the Managing Director, the ideal candidate will be a seasoned professional with a proven history of sales and project management success in the contract furniture industry.

The role requires:

- Experience in commercial and/or retail furniture sales including office systems, flooring and window treatments
- Evidence of Continuing Professional Development in the contract furniture industry including manufacturer training and industry conference attendance
- Strong Account Management experience including project management & customer service skills
- Competence in all aspects of MS Office Suite
- Familiarity with QuickBooks helpful
- Excellent multitasking abilities
- Self drive and effectiveness without supervision

Experience working with Bermuda's interior design and architecture community along with familiarity of flooring products, window treatments & commercial furniture along with CAD software would be extremely beneficial.
