

Our client – Hodre Group Limited, invites applications for the position of:  
**Internal and Client accountant**

HODRE is a Bermuda – based underwriting consultancy, offering bespoke, specialist reinsurance solutions, to a client base spanning Bermuda, US and Europe. The company has a reputation for innovation, problem – solving and client service.

Due to continued growth, the company is looking to hire a qualified accountant, who will be responsible for delivering comprehensive, high quality financial and accounting services, to the company and its sophisticated client base, working to client deadlines and service requirements.

**Reporting to the Chief Financial Officer the key responsibilities will be to:**

- Prepare timely and accurate management statements, quarterly budgeting and forecasting;
- Manage accounts payable and receivables;
- Prepare financial statements and materials for management and Board meetings, including the use of financial reporting software to prepare statements and other schedules;
- Prepare quarterly reports for internal and external, regulatory reporting;
- Coordinate the client reporting function, to ensure the integrity and completeness of all reports submitted to reinsurers, and that all corresponding payments are made, conducting necessary reconciliations;
- Oversee of external investment accountants; and liaison with investment managers;
- Maintain adequate internal controls within the financial reporting function;
- Assist with client's financial products; and
- Conduct other ad-hoc analysis.

**Qualifications, skills and experience:**

- A qualified accountant with at least 5+ years' post qualification experience within the re/insurance or financial services sector;
- Strong analytical and financial reporting capabilities, ideally with technical proficiency in US Statutory Insurance Accounting, GAAP, IFRS and SEC reporting, are essential;
- Management reporting experience, as well as consolidated financial statement and regulatory reporting;
- Controller level ability / experience in designing and documenting internal controls and processes;
- Ability to work under pressure to tight deadlines and to react positively to changing conditions;
- Strong communications and interpersonal skills, capable of interacting effectively and winning the trust of fellow team members and of a sophisticated international client base;
- Audit training within the financial services sector; and
- Expertise in spreadsheets, GL packages and financial reporting software.

Candidates may be asked to undertake psychometric and skills testing as part of the selection process. If your experience matches the requirements of the role and you are interested by the opportunity, please forward a detailed resume in confidence to:
