

Underwriter

About the Underwriting team

You will be joining a team of experienced underwriters. In close collaboration with our London colleagues we reinsure a broad spectrum of clients around the globe. With business in North America, Japan, Australia, Latin America, Europe and many other regions we deal with a broad range of clients and brokers. We're a team that likes a challenge, especially if it means outperforming the market result and helps us deliver an exceptional portfolio and healthy returns to the Group and our stakeholders.

An incredible opportunity:

We're looking for an amazing underwriter to join the team. Success will be measured by quick progression from a supporting role to a full-fledged underwriter, optimising the portfolio and developing new business. There will be challenges along the way that's a given, but with every new challenge is a new opportunity to broaden your career and personal horizons.

What you'll be doing:

- Supporting the underwriters in the pre-underwriting of risks until you start to fly solo
- Analysing the portfolio to assist in making commercial and strategic decisions
- Developing relationships with brokers and clients with a view to producing more, or more profitable business
- Attending client meetings and conferences and events to grow industry knowledge
- Travel to meet with clients and brokers and sell the Hiscox Re & ILS offering

The winning candidate:

We're looking for someone who is highly analytical and has a passion for delivering results. You will need to be articulate and exhibit good judgement, quickly understanding problems and solving them. Ability to build rapport and demonstrate a track record of developing internal and external business relationships is a must.

Our must haves:

- Results focused and proactive, showing constant dedication and energy to meeting the challenge
- Proven analytical and strong numerical capabilities
- Hunger to challenge convention and make a difference
- Demonstrable commercial awareness with an insatiable curiosity for alternatives
- Desire to sell and negotiate
- People agility, an ability to flex your style to work with and influence a wide range of people
- Not afraid to have a view, voice opinions and challenge the thinking of others

About Hiscox Re & ILS

The reinsurance division is made up of our underwriting platforms in Bermuda, London and Paris, writing reinsurance risks around the world. Our team of circa 100 bright, energetic individuals are committed to providing top quality service to brokers and clients across a broad range of reinsurance products. We protect our clients assets against natural and man-made disasters, covering everything from earthquake and hurricane damage to cyber, malpractice and terror attacks around the world. Our approach is simple, we set out to partner with our customers to help solve the problems that will deliver real value; and have an unwavering focus on matching the right blend of innovation and dependability to meet our customer's ever evolving needs. Our focused and discerning underwriting approach is complemented by a commitment to world class service, and the ability to offer creative solutions to complex problems. We know our people are our biggest asset so finding and retaining top talent is crucial for every role.

Closing Date: December 28, 2018
