Interested in working for a Life Reinsurance start-up?

I am working with a specialist, Bermuda-based life reinsurance company with a fast-paced, entrepreneurial culture. They are looking to hire experienced, hands-on, business-focused finance professionals.

Contact me directly if you are a VP (7-10 years) or AVP (2-5 years) level CPA with life insurance accounting on a GAAP basis.

All enquiries will be dealt with in strict confidence.
