

## Trading Analyst

### **Responsibilities:**

We are seeking an intelligent, hardworking and self-starting individual to join our 24-hour global trading team as a Trading Analyst covering Asian markets.

Responsibilities will include, but not be limited to, obtaining best execution of investment ideas across equity, equity derivatives, foreign exchange and fixed-income asset classes; ensuring compliance with multiple Fund and market restrictions; performing trading research and execution analysis; and providing market insight to the Portfolio Managers.

### **Essential Skills:**

- Thoroughness and attention to detail are essential.
- Extremely motivated with demonstrated good judgment and strong computer skills.
- Able to think quickly and clearly.
- Excellent communication and organizational skills.

### **Technical Qualifications:**

- Possession of an excellent academic record and, at a minimum, a Bachelor's Degree from a reputable university, preferably in a highly numerate discipline (e.g. mathematics, engineering, economics).
- The candidate will possess or be willing to immediately start working towards the CFA designation or similar industry qualification.
- Whilst prior trading experience is not required, the successful candidate must be able to demonstrate a strong interest in financial markets, either through relevant previous employments or from the candidate's own personal investing.

### **What We Offer:**

We strive to attract talented individuals who have demonstrated the ability to excel in a challenging environment; the remuneration package will reflect this and will be heavily influenced by performance.

### **Instructions for Application:**

If you believe that you possess the experience and have the potential required to excel in this role, please apply in writing with a detailed résumé and cover letter to [opportunities@orbis.com](mailto:opportunities@orbis.com) or hand deliver an application to:

### **The Company:**

Orbis is a global, privately owned investment firm, managing in excess of \$30 billion of assets, headquartered in Bermuda with offices across four continents and over 400 professionals. We have been creating long-term value for our clients since 1990. Our investment philosophy is fundamental, long-term and contrarian, and we are uniquely structured to encourage bold but considered decisions, even in times of stress. As a firm, our business model requires us to deliver meaningful outperformance to our clients.

We believe that to generate better long-term returns than the market, you need to do things differently to others in it.

Do you?
