

Liberty Specialty Markets

Senior Vice President, Excess Casualty, Iron-Starr Excess Agency Ltd.

Liberty Specialty Markets Bermuda Limited, (LSM), offers specialty and commercial insurance and reinsurance products across key UK, European, Middle East, US, Bermuda and other international locations. We provide brokers and insureds with a broad product range through both the Company and Lloyd's markets and have over 1,700 employees in approximately 65 offices. At Liberty Specialty Markets we create an environment where careers can flourish – a place for people to learn, grow, develop, and celebrate success.

Duties & Responsibilities

- Analysis and underwriting of excess casualty catastrophe risk exposures;
- Analysis of coverage terms, conditions and policy forms;
- Negotiation of complex and varied coverage terms;
- Ability to develop manuscript wordings and endorsements for legal approval;
- Development of a profitable portfolio of excess casualty business comprising clients in the Fortune 2000 business segment;
- Existing broker relationships both in Bermuda and the U.S. to help facilitate personal and corporate goals;
- Representation of Liberty Specialty Markets in client meetings and the communication of Liberty Specialty Market's capabilities, goals and objectives;
- Mentor and train junior staff on technical underwriting and contractual issues;
- Attending speaking engagements as required;
- Frequent travel on short notice, as required;
- Other related duties as assigned.

Required Skills, Qualifications, & Experience

- A thorough understanding of General Liability, to include Primary Casualty, Umbrella Liability, Product Liability, Construction Liability, Healthcare and Employer's Liability is required;
- A minimum of 20 year's casualty experience handling Fortune 2000 clients;
- A minimum of 10 years Lead Umbrella Excess Casualty experience;
- A thorough understanding of Casualty forms, both claims made (including follow form AEGIS), occurrence and Bermuda market policy forms;
- An extensive knowledge of, and experience with, retail and wholesale insurance intermediaries in Bermuda, London and the United States;
- Previous experience and understanding of captive insurance companies would be beneficial;
- Previous management and/or mentoring experience is required.

The successful candidate will also

- Have the ability to make decisions according to preset underwriting guidelines and authorities;
- Have strong interpersonal skills and be able to maintain effective working relationships with other employees working in a strong team environment;
- Have strong marketing, negotiation and presentation skills;
- Have strong organizational skills and the ability to prioritize work.
- Be highly computer literate.

If you believe you possess the experience and potential required please apply in writing, no later than February 14th, 2019 with a detailed resume to: BermudaHR@LibertyGlobalGroup.com or deliver by hand to: Human Resources, LSM (Bermuda) Limited, 141 Front Street (7th floor), Hamilton HM19, Bermuda.
