*Is currently seeking applications for:*

## **Interior Plantscape Installation and Maintenance Supervisor**

Aberfeldy Nurseries Ltd. is seeking an experienced applicant for the role of Interior Plantscape Installation and Maintenance Supervisor.

The successful applicant will provide professional interior and exterior plant installation and maintenance services to both Corporate and Retail Garden Centre clients.

### **Primary Responsibilities will include:**

- Preparing quotes for new installations to high end corporate clients and discussing maintenance requirements
- Producing management reports, including invoicing and sales/inventory spreadsheet.
- Coordinate, implement and supervise work schedule
- Advising and communicating with clients on best plants for specific environments
- Watering, fertilizing and maintaining all plants necessary

### **Skill & Experience Required:**

- A minimum three (3) years relevant prior experience
- Extensive knowledge of tropical and subtropical plants
- Superior knowledge and ability to identify common pests and diseases
- Strong knowledge of pesticides, fertilizers and treatments for ongoing maintenance of plants
- Superior communication skills with proven ability to foster client relationships and be able to professionally communicate with clients and present a neat and clean appearance at all times
- Proven ability to work effectively in a fast paced deadline orientated environment
- Excellent computer skills including MS Excel, Word and Outlook
- Able to lift and be able to load/unload between 50lb and 70lb on a regular basis throughout the work day
- Possess a valid Bermuda Intermediate Driver's License

Weekend work and some Public Holidays will be required.
