

Elementum (Bermuda) Ltd., an alternative asset investment manager focusing on insurance-linked strategies, are seeking a highly motivated individual to assist them in the evaluation, execution and ongoing maintenance of collateralized reinsurance investments. The ideal candidate will have gained experience working within an ILS investment manager or reinsurance company and possess solid analytical and problem-solving skills.

Key responsibilities will include:

- Preparation of portfolio management reports
- Preparation and review of transaction documents
- Research and preparation of detailed analysis to support the evaluation of investments
- Ongoing research efforts and ad-hoc projects

The successful candidate will ideally have:

- Bachelor's degree - CFA or CPCU completion or advancement a plus
- Motivation - be a self-starter with desire to operate in a fast-paced environment
- Strong organizational and communications skills
- Excellent attention to detail
- Proficiency with technology, with specific expertise in business and financial programs
