

U.S. Tax opportunities

PwC's U.S. Tax Group in Bermuda and the Cayman Islands has exciting employment opportunities. As a member of the U.S. Tax Group you will assist offshore businesses, individuals and organisations with their U.S. and international tax strategy, planning and compliance, while delivering a wide range of business advisory services. The opportunities involve combining industry insight with the technical skills of financial and tax specialists, lawyers and our other in-house experts as necessary, to develop comprehensive integrated solutions.

Opportunities exist at the Associate, Experienced Associate, Senior Associate, and Manager level. Successful candidates will work in the offices of either PwC in Bermuda or the Cayman Islands.

U.S. Tax – Associate, Experienced Associates and Senior Associates

- The preparation and review of U.S. tax returns for insurance companies, investment funds and other U.S. tax filings;
- Conducting U.S. tax research and drafting tax technical research memoranda;
- The preparation of presentation materials for the marketing of U.S. tax services; and
- Meeting with existing and potential clients to discuss tax issues.

Required skills/ experience

Candidates must possess the following skills and experience:

- A Bachelors Degree with a specialisation in accounting or finance, taxation, business or a law degree from an accredited university (essential for all levels);
- Qualified to sit the CPA exams with either a relevant Masters Degree or 5th year equivalent. Candidates who 2+ years of International Tax experience or who are qualified to sit the bar exam in a U.S. state may also be considered (essential for experienced and senior associate roles);
- Working knowledge of Microsoft Office applications, including Word, Excel and PowerPoint (essential for all levels);
- Highly organised, dedicated and self-motivated (essential for all levels); with
- Excellent communication, interpersonal and time management skills (essential for all levels)

U.S. Tax Manager

Reporting to senior tax management, responsibilities will also include:

- The review of U.S. tax returns for insurance companies, investments funds and other U.S. tax filings;

- The supervision of U.S. tax professionals in conjunction with
 - Conducting U.S. tax research and drafting tax technical research memoranda
 - The preparation of presentation materials for the marketing of U.S tax services;
- Meeting with existing and potential clients to discuss tax issues; and
- Managing client engagements, including staffing and economics.

Required skills/ experience

- A Bachelors Degree with a specialisation in business, accounting/ taxation or a law degree from an accredited university;
- Successful completion of the U.S. Certified Public Accounting designation, admitted to practice law in a U.S. jurisdiction, or holds an equivalent relevant US Tax certification;
- A minimum of 5 years of U.S. taxation work experience with an international accounting Firm, international law firm or similar work experience specialising in U.S. tax issues of partnerships and corporations;
- Tax experience working with hedge funds, private equity funds, other investment partnerships or insurance companies preferred;
- Working knowledge of Microsoft Office applications, including Word, Excel and PowerPoint, ATX and GoSystem;
- Highly organised, dedicated and self motivated;
- Excellent communications, interpersonal and time management skills;
- Ability to coach and mentor more junior team members; and
- Proven track record of working collegially with other management group member to collectively get the job done.

Candidates with extensive managerial and operational experience in a U.S. Tax position, may be considered for a Senior Manager role.
