

First Atlantic Commerce Ltd., is a Bermuda based electronic commerce solutions provider specializing in fully secure, turn-key, Internet processing and consulting solutions for Corporations and Acquiring Banks. An opportunity exists for a qualified **Team Lead – Payment Systems** person to join the team. A key aspect of this busy role will be to assess, define and document business, technical and operational requirements relating to new and existing multi-currency card present or e-commerce projects for large internal system projects and third-party credit card processor platforms. For a full description of responsibilities, please contact [hr@psolutions.bm](mailto:hr@psolutions.bm) or call 441-232-5270.

### **Key Job Requirements**

- University Degree/College Diploma in Computer Science or Information Technology, or 8 years relevant and direct experience in all areas of credit-card processing technology
- IT certifications demonstrating in depth knowledge of systems and database technologies
- Proficiency in data analysis and SQL Query tools
- Proven ability to work effectively on multiple projects concurrently with limited supervision and deliver according to project scope and delivery timetables
- Extensive knowledge of and experience with card processing/acquiring and the credit card industry
- 5 years or more working in depth with the ISO8583 message specifications and host interfaces
- Experience with the implementation, certification and support of the 3DS authentication technology
- Superior strengths in project management, operational workflow, user acceptance testing, documentation and impact analysis, implementation strategies, and change control management
- Previous experience managing and implementing complex systems and multiple projects with accurate attention to detail
- Ability to communicate and troubleshoot technical and operational support issues
- Proficiency in MS Office and Project Management software
- Excellent verbal and written communication skills with experience in training customers as well as internal staff
- Previous project and network management experience in a dynamic and fast-paced environment

Please apply no later than **May 3rd, 2019** to: Performance Solutions Limited, Suite 350, 48 Par la Ville Road, Hamilton HM 11.
