

WANTED TO PURCHASE

Executive home in **POINT SHARES OR FAIRYLANDS** or otherwise in a nice location within close proximity to Hamilton.

On behalf of PRC clients, I am seeking an executive home for them to purchase. Ideally four bedrooms, or three with guest accommodation, pool or room to put in a pool, a view is essential, and a nice garden.

If you have a home you may consider selling that meets the above criteria, please call today.

All responses will be treated in strictest confidence.
