

FINANCIAL CONTROLLER

On behalf of our Client,
The Bermuda Underwater Exploration Institute (BUEI),
we invite applications for the newly created position of
Financial Controller!

This is an amazing opportunity to join a world recognized, non-for-profit organisation who focuses on the ocean and marine life, and supports everything from marine biology to the technology of underwater exploration and deep-ocean ecology. Based in Bermuda they offer the public glimpses of all the wonders beneath the surface to help foster a greater appreciation and understanding of the worlds ocean.

The Financial Controller position is integral to the team and will oversee all financial operations for the BUEI including:

- Accounts payable & receivable.
- Account reconciliations.
- General ledger entries.
- Preparation of Management Financial Statements (inclusive of comprehensive variance reports).
- Financial audit.
- Development and improvement of internal financial controls.
- Providing support to the CEO in the day-to-day operational oversight of the organisation.

The successful candidate will ideally have:

- An internationally recognized accounting designation such as CA, CPA etc.
- Over 5 years PQE gained in a 'hands-on' financial accounting / management position.
- Excellent attention to detail with proven skills in problem solving and streamlining processes to improve efficiencies.
- Ability to professionally and effectively communicate with multiple stakeholders.
- Retail or non-for-profit industry knowledge would be advantageous.
- Canadian GAAP knowledge and experience with QuickBooks would be preferred.
