SVP – Strategic Planning and Actuarial

Our client, Maiden Reinsurance Ltd. is a Bermuda-based holding company focused on providing non-catastrophic specialty property and casualty reinsurance products through its subsidiaries.

Job Description:

Exercise strong technical proficiency within this multifunctional role by consistently demonstrating solid judgement in Strategic Planning and Actuarial. Including:

- Create and maintain the core Maiden financial planning model
- Implement and monitor capital tests as dictated by various rating agencies and regulators
- Develop capital optimization models and perform financial stress testing
- Leverage information from key technical staff to provide input for risk based decision making
- Implement and monitor liquidity models and using results to support short and long-term planning requirements
- Present results to senior management and key stakeholders
- Conduct peer reviews of pricing and reserving analyses
- Provide technical support for both insurance and non-insurance financial transactions
- Assist in the development of reports and general consolidation of data

Qualifications, Skills and Experience:

- Undergraduate degree in Mathematics/Actuarial Science or related field
- Fellow of the Casualty Actuarial Society or equivalent
- Minimum of 10 years actuarial experience in reserving/pricing of property/casualty risks
- Financial modelling experience essential
- Capital modelling or reserve volatility experience preferred
- Ability to understand and build stochastic processes
- Strong knowledge of financial instruments and capital market products
- Excellent knowledge of US GAAP and statutory financial statements and reporting standards
- Excellent analytical, technical and research skills
- Excellent software skills, especially with Excel, Access and VBA
- Strong communication and presentation skills with the ability to effectively communicate actuarial and financial information to other disciplines

Interested? Please email jobs@expertise.bm.

All enquiries will be dealt with in strict confidence.

Closing date: June 20, 2019
