

Investment Opportunity

- Sol is soliciting interest from motivated individual entrepreneurs with demonstrated business skills, who are prepared to enter into a business partnership in managing our Esso service stations. Our retailers maintain and control Safety, Operational and Financial standards across the fuel business.

To be considered for the opportunity:

- Exceptional customer service and people management skills are essential. Previous experience in the retail petroleum sector, whilst important, is not an absolute requirement.
- Access to working capital and a good credit history is essential.
- Contractual arrangements and business models will be discussed after an initial screening and interviews.

Apply in writing no later than

Monday, June 24, 2019 to:
